September 22, 2012

Gordon Arnold
City of Pasadena, CA
Radio Communications

To Whom It May Concern:

The City of Bell is not opposed and actively supports the radio frequency swap with the City of Pasadena.

The swap would be for City of Bell's frequency 155.190 on license KNGT891, for City of Pasadena's frequency 155.955 on license KRC733.

If you have any questions please feel free to email me at sbelcher@cityofbell.org or call me at my office at 323-585-1245 (ext 269).

Thank you,

Steve Belcher
