Re: OUTDOOR LIGHTING, INC.

We have no record that construction or alteration has been completed or abandoned for the following antenna structure:

<u>Registration No.</u>	<u>NAD 83 Coordinates</u>	<u>Overall Height (AGL)</u>
1260867	35-57-19.5 N 077-53-02.9 W	128.0 meters
<u>Location</u>	<u>City</u>	<u>State</u>
401 Community Drive	Rocky Mount	NC

The Commission grant of an Antenna Structure Registration for the above antenna structure imposed additional requirements upon you, including the requirement that you **notify the Commission within 24 hours of completion of construction or cancellation of your project.** Note: If you have not begun construction (and the project has not been abandoned), **you do not need to notify the Commission at this time.**

To notify the Commission, **you must file FCC Form 854.** Notification by letter is not acceptable. Use the purpose "NT" for Notification of Completion of Construction or "CA" to cancel your registration.

Electronic filing of FCC Form 854 is recommended. To file electronically, connect to the antenna structure registration system by pointing your web browser to <http://wireless.fcc.gov/antenna>. **If you file an application electronically, do not submit the same application manually (i.e. in paper form).** Manual filed applications should be sent to the address noted above. Overnight couriers and hand delivered filings should be sent to Federal Communications Commission, 1280 Fairfield Road, Gettysburg, PA 17325. If you wish to file your application manually, you may obtain a paper copy of FCC Form 854 from the FCC's website at <http://www.fcc.gov/formpage.html>, by calling the FCC's Forms Distribution Center at 800-418-FORM (800-418-3676), or from FCC's Fax Information System by dialing (202) 418-0177. For additional information or assistance you may also call the FCC at (877) 480-3201 (TTY 717-338-2824). To provide quality service and ensure security, all telephone calls are recorded.
