Latitude: 34-53-02.7 N
Longitude: 082-43-11.1 W

Re: BLUE RIDGE ELECTRIC COOPERATIVE, INC.

Your application for antenna structure registration is in a dismissal status effective 09-26-2013 without prejudice for the reason(s) indicated below.

If you still want to construct or modify an antenna structure, you must file a new application with the Commission. The file number that was assigned to this application is not a Registration Number and is not an authorization to construct or modify an antenna structure.

To file a new application electronically, connect to the Antenna Structure Registration system by pointing your web browser to <http://wireless.fcc.gov/antenna>. **Electronic filing is recommended.** However, if you wish to file your application manually, submit a paper copy of FCC Form 854. **If you file a new application electronically, do not manually submit the same application.** Application forms can be obtained from the FCC's website at <http://www.fcc.gov/formpage.html>, by calling the FCC's Forms Distribution Center 800-418-FORM (800-418-3676), or from FCC's Fax Information System by dialing (202) 418-0177. For additional assistance, you may visit the website at <http://esupport.fcc.gov>. You may also call the FCC at (877) 480-3201 (TTY 717-338-2824). To provide quality service and ensure security, all telephone calls are recorded.

Per phone conversation with Barney Drake, application is being dismissed.
