#### Waivers/Conditions:

Beginning January 1, 2013, this station must operate on channels with a bandwidth of 12.5 kHz or less, or with equivalent efficiency, regardless of the emission bandwidths set forth on this license. See Section 90.209(b)(5) of the Commission's Rules. Note, however, that the narrowbanding requirement does not apply to specific channels designated in Rule 90.20 or 90.35 for paging only.

Grant of the request to update licensee name is conditioned on it not reflecting an assignment or transfer of control (see Rule 1.948); if an assignment or transfer occurred without proper notification or FCC approval, the grant is void and the station is licensed under the prior name.

Request for waiver of Rule 90.209(b) granted. Licensee may operate with authorized wideband emission designator through May 1, 2013.

Request for temporary waiver of Rule 90.209(b) granted 12/26/2012. Licensee may operate with authorized emission 20K0F3E through 06/01/2013.
