Re: United States Cellular Corporation
Ownership Disclosure Information

Dear Ms. Salas:

Herewith transmitted are an original and one copy of Form 602 ("FCC Ownership Disclosure Information for the Wireless Telecommunications Services") filed for United States Cellular Corporation.

We have not included the Taxpayer Identification Numbers ("TINs") requested by the form for the applicant and Disclosure Interest Holders because electronic filing procedures are not yet available under the FCC's Universal Licensing System and we wish to protect the confidentiality of the TINs. TINs can be supplied for those entities upon request of the FCC. Federal Registration Numbers ("FRN") have been supplied for each entity reported within this FCC Form 602.

The information supplied with respect to Disclosable Interest Holders reflects a good faith attempt to comply with the requirements of Form 602, after consultation with FCC staff. Again, if additional information is necessary, it will be supplied.
