EXPLANATORY EXHIBIT

Section 1.948(c) of **the** Commission's Rules, 47 C.F.R. § 1.948(c), governing transfers of control in the Wireless Radio Services, requires that a transferee subject to the ownership reporting requirements of Section 1.2 112(a) file an updated FCC Form 602. The reporting requirements of Section 1.2 112(a) of the Commission's Rules were modified by the Commission in ***In re Amendment of Part I of the Commission's Rules -- Competitive Bidding Procedures***, Order on Reconsideration of the Third Report and Order, 13 FCC Rcd 15293 (Aug. 1-1-2000) ("***Recon Order***"). Specifically, the **Commission** modified Section 1.2 112(a) to streamline the information required to be filed by non-designated entity applicants. ***inter alia***, by eliminating the requirement that non-designated entity applicants report their officers and directors. See ***Recon Order*** ¶10 and n.20; see **also** 47 C.F.R. § 1.2 112(a), as amended. The instructions to Form 602 have not been modified to distinguish between designated entity applicants and non-designated entity applicants in terms of the information required to be submitted. Consistent with the Commission's streamlining modifications to Section 1.2 112(a), Trafficmaster plc has not listed its officers and directors as disclosable interest holders in this Form 602.
