## EXHIBIT 1

### CONTROL OF STRATOS OFFSHORE SERVICES COMPANY

As set forth in the foregoing **materials**, Stratos Offshore is controlled by Aliant Inc. ("Aliant") with an approximately 64% interest in Stratos Global Corporation. BCE Inc. ("BCE"), in turn (through its subsidiary Bell Canada), holds a 41.6% interest in Aliant, with the Aliant stock widely held.

As indicated in a Section 214 Application for Transfer of Control filed on December 3, 1999 by BCE, BCE intends to **acquire** an additional 11 percent of Aliant's stock, which will place BCE in control of **Aliant** as an owner of approximately 53 percent of its stock. After the Commission approves **BCE's** Section 214 Application for Transfer of Control, BCE will have indirect control of **Stratos** Offshore via its control over Stratos Offshore's parent company, Stratos Global Corporation, through its controlling interest in Aliant.
