Exhibit 2

Response to items IIa and IIb, FCC Form 602 Schedule A

Intek Global Corp.
99 Park Avenue
1 8th Floor
New York, NY 10016

Intek, through its wholly-owned subsidiaries, is a nationwide provider of mobile radio equipment and services authorized pursuant to Part 90 of the FCC's rules. |

Exhibit 3

Response to Item 10, FCC Form 602 Schedule A

The applicant in the instant FCC Form 602 is Intek License Acquisition Corp. (“ILAC”). ILAC is a wholly-owned subsidiary of Intek Global Corp. (“Intek”), a Delaware corporation with headquarters at 99 Park Avenue, 18th Floor, New York, New York 10016.

Until August of 1999, Intek was a publicly traded corporation of which 61.3% of its shares were held by Securicor Communications Ltd. and Securicor International Ltd., two wholly-owned subsidiaries of Security Services plc (Security Services) which is in turn a wholly owned subsidiary of Securicor plc (“Securicor”), a publicly-traded corporation organized under the laws of England and Wales, with headquarters at Sutton Park House, 15 Carshalton Road, Sutton, Surrey **SM1 4LD**, United Kingdom. Thus, as of August of 1999, and as fully disclosed to the Commission, Securicor controlled Intek by collectively holding 61.3% of its common stock through its wholly owned subsidiaries.

Through a *pro forma* transaction, described fully below, Securicor has acquired the outstanding publicly traded shares of Intek, and increased its ownership of Intek from 61.3% to 100%. Specifically, this *pro forma* transaction was accomplished through a tender offer whereby Intek and IGC Acquisition Corp. (“IGC”) entered into an agreement providing for the merger (the “Merger”) of Intek with IGC. Pursuant to this agreement, IGC, a Delaware corporation, acquired all of the outstanding non-Securicor shares of Intek. Securicor, through wholly owned intervening subsidiaries, was the ultimate parent company of both IGC and Intek.

On August 25, 1999 (the “Effective time” of the Merger), outstanding shares of Intek (other than shares held in the treasury of Intek, shares owned by IGC, Security Services or other affiliates of Securicor and shares owned by stockholders who properly exercised their appraisal rights under the Delaware General Corporation Law) were converted into the right to receive the Offer Price in cash, without interest and less any required withholding and transfer taxes (the “Merger Consideration”). At the Effective Time, each Share held in Intek’s treasury or owned by IGC, Security Services or any other affiliate of Securicor prior to the Effective Time was also cancelled and retired without conversion, and no payment was made with respect thereto. Accordingly, at the Effective Time of the Merger, IGC merged with and into Intek, with Intek surviving the Merger. Therefore, under the post merger ownership chain described fully below, Intek has become a wholly owned indirect subsidiary of Securicor through a series of wholly owned intervening corporations.

Under the post merger ownership structure, ILAC remains a wholly owned subsidiary of Intek. Intek, in turn, is a wholly owned subsidiary of Securicor US Holdings, Inc, a Delaware corporation.

Securicor US Holdings, Inc. is in turn a wholly owned subsidiary of Securicor Communications, Ltd., a corporation organized under the laws of England and Wales with **offices** at Sutton Park House, 15 Carshalton Road, Sutton, Surrey **SM1 4LD**, United Kingdom.

Securicor Communications, Ltd., is in turn, a wholly-owned subsidiary of Security Services plc, with offices at Sutton Park House, 15 Carshalton Road, Sutton, Surrey **SM1 4LD**, United Kingdom.

Security Services plc, is in turn, a wholly-owned subsidiary of Securicor plc, a publicly-traded corporation also organized under the laws of England and Wales, with headquarters at Sutton Park House, 15 Carshalton Road, Sutton, Surrey **SM1 4LD**, United Kingdom. Securicor is 100% publicly owned, with no single entity having a 10% or greater ownership interest.

Accordingly, Securicor, through the intervening wholly-owned subsidiaries described above, now holds a 100% interest in Intek, which holds a 100% interest in ILAC.

In addition to ILAC, Intek has two other wholly-owned subsidiaries that are FCC-regulated businesses: Roamer One, Inc. (“Roamer One”) and Midland USA, Inc. (“Midland”). Roamer One, Inc. is a Delaware corporation that owns and operates Private Mobile Radio Service (“PMRS”) stations in the 220-222 MHz frequency band and manages systems on behalf of other licensees in that band. Midland is a Delaware corporation that distributes land mobile radio products and equipment including equipment operating in the 220-222 MHz band. Applicant has no relationship with Roamer One or Midland other than being affiliates through Intek’s common ownership.

Note, ILAC currently holds all of its licenses as PMRS licenses, *i.e.*, non-common carrier licenses, for which the foreign ownership limitation of Section 310 of the Communications Act does not apply. *See in the Matter of Implementation of Sections 3(n) and 332 of the Communications Act*, 11 FCC Rcd 2550 (1995). However, on September 11, 1998, the Commission granted Intek Global Corp.’s Petition for Declaratory Ruling (File No. 98-ISP-007) and found that Securicor’s 61.3% controlling interest in Intek served the public interest. Specifically, the grant of the Declaratory Ruling found that Intek’s foreign ownership was consistent with the public interest, and provided Intek and its subsidiaries authorization to convert PMRS licenses to Commercial Mobile Service (“CMRS”) status and to otherwise acquire licenses on a CMRS basis. Although Intek has yet to acquire or convert any licenses to CMRS, as result of the ownership increase described above, Intek will file a Supplemental Request for Declaratory Ruling with regard to Securicor’s increase in ownership.
