Teligent, Inc.
FCC Form 602
Exhibit I
April 19, 2002

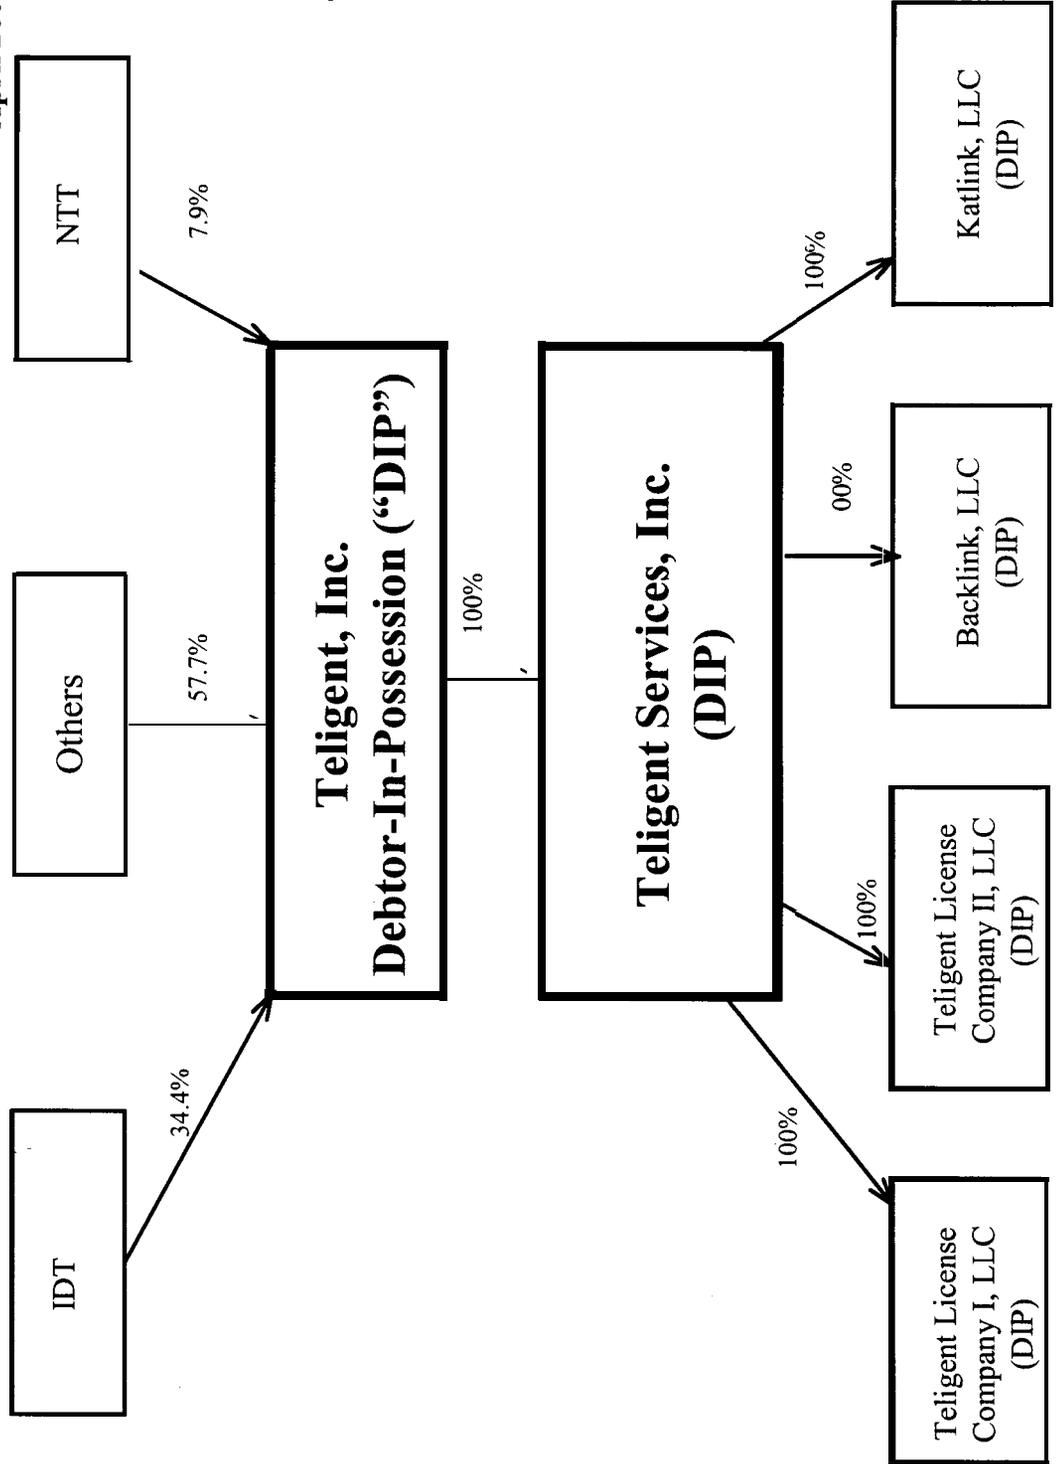

Teligent is updating its FCC Form 602 in order to provide updates to information that has changed since its last filing on May 17, 2001.

Teligent, Inc. ("Teligent" or "Applicant") located at 460 Herndon Parkway, Suite 100, Herndon, Virginia 20170, is a publicly-held holding company that has been operating in Chapter 11 since May 21, 2001. Teligent notified the Commission of its Chapter 11 status via letters sent to each Commissioner's office as well as several bureaus, including the Wireless Bureau on May 21, 2001. On September 12, 2001, the Commission released a Public Notice authorizing the involuntary *pro forma* assignment of all of Teligent's Part 101 microwave radio licenses, from Teligent's various license-holding subsidiaries to those same subsidiaries as debtors-in-possession.¹

This FCC Form 602 is being filed by Teligent because it is the corporate entity having ultimate ownership and control over the FCC-regulated service authorizations *i.e.*, Section 214 authorizations and Title III licenses, which the various FCC-regulated Teligent subsidiaries hold. Because each of these Teligent subsidiaries is wholly-owned by Teligent, Disclosable Interest Holder information for each Teligent FCC regulated business entity is identical to Teligent's. Attachment 1 to this Exhibit contains an organizational chart depicting the basic Teligent organizational structure including the ultimate disclosable interest holders in Teligent, Inc. Attachment 2 contains current information regarding Teligent's officers and directors, as well as the officers and director's of Teligent's FCC-regulated businesses set forth in Item 4 to the Main Form.

¹ See Public Notice Report Number 963, 9/12/2001, File Nos. 0000476723; 0000476726; 0000476734; 0000476726
