**Re: FCC Form 602 – Teligent, Inc. (After Emergence from Chapter 11)**

Dear Sir/Madam:

Enclosed for filing please find one original FCC Form 602 filed on behalf of Teligent, Inc. (“Teligent”) after it emerges from Chapter 11.

This is the anticipated ownership structure of Teligent upon approval by the Bankruptcy Court of Teligent’s Plan of Reorganization (POR) and after obtaining FCC consent to consummate the POR. This FCC Form 602 is being filed in connection with Teligent’s applications for assignment of the various licenses held by its current license-holding subsidiaries as debtor-in-possession to an emerged Teligent. If the POR is not approved by the Court or if FCC consent is not obtained this ownership structure will not occur and Teligent will withdraw this FCC Form 602.

We ask that the additional copy be date-stamped and returned in the enclosed envelope.

If you have any questions, please contact the undersigned at (703) 326-4650.

Sincerely,

A handwritten signature in black ink that reads "Terri B. Natoli". The signature is written in a cursive, flowing style.

Terri B. Natoli

**Teligent, Inc.**  
**(After Emergence from Chapter 11)**  
**FCC Form 602**  
**Exhibit I**  
**May 2, 2002**

Teligent, Inc. is filing this FCC Form 602 to provide the requisite ownership information that will pertain to Teligent upon completion of a Plan of Reorganization (“POR”) that Teligent will submit to the Bankruptcy Court for approval. Teligent is seeking the applicable FCC consent necessary to consummate the POR pursuant to FCC Form 603 assignment applications. The “Teligent” described in this FCC Form 602 will be the new emerged Teligent, Inc., after confirmation and consummation of the POR. (The updated FCC Form 602 filed on April 19, 2002, describes the ownership of the current Teligent (debtor-in-possession) currently under the supervision of the Bankruptcy Court.)

Teligent, Inc. (“New Teligent” or “Applicant”) will be located at 460 Herndon Parkway, Suite 100, Herndon, Virginia 20170. It will be a privately-held company that has emerged from Chapter 11 bankruptcy protection.

Upon emergence, subject to FCC approval, New Teligent will be the corporate entity that is the direct licensee of numerous Part 101 fixed-wireless microwave licenses, including 24 GHz service licenses. Attachment 1 to this Exhibit contains an organizational chart depicting the basic New Teligent organizational structure (including the ultimate disclosable interest holders in Teligent, Inc.) as well as a comparison Chart of the structure of the current Teligent organizational structure. By comparing these two charts it is easy to see how the ownership structure of the Title III licenses will change. Attachment 2 contains current information regarding New Teligent’s officers and directors upon emergence from Chapter 11.

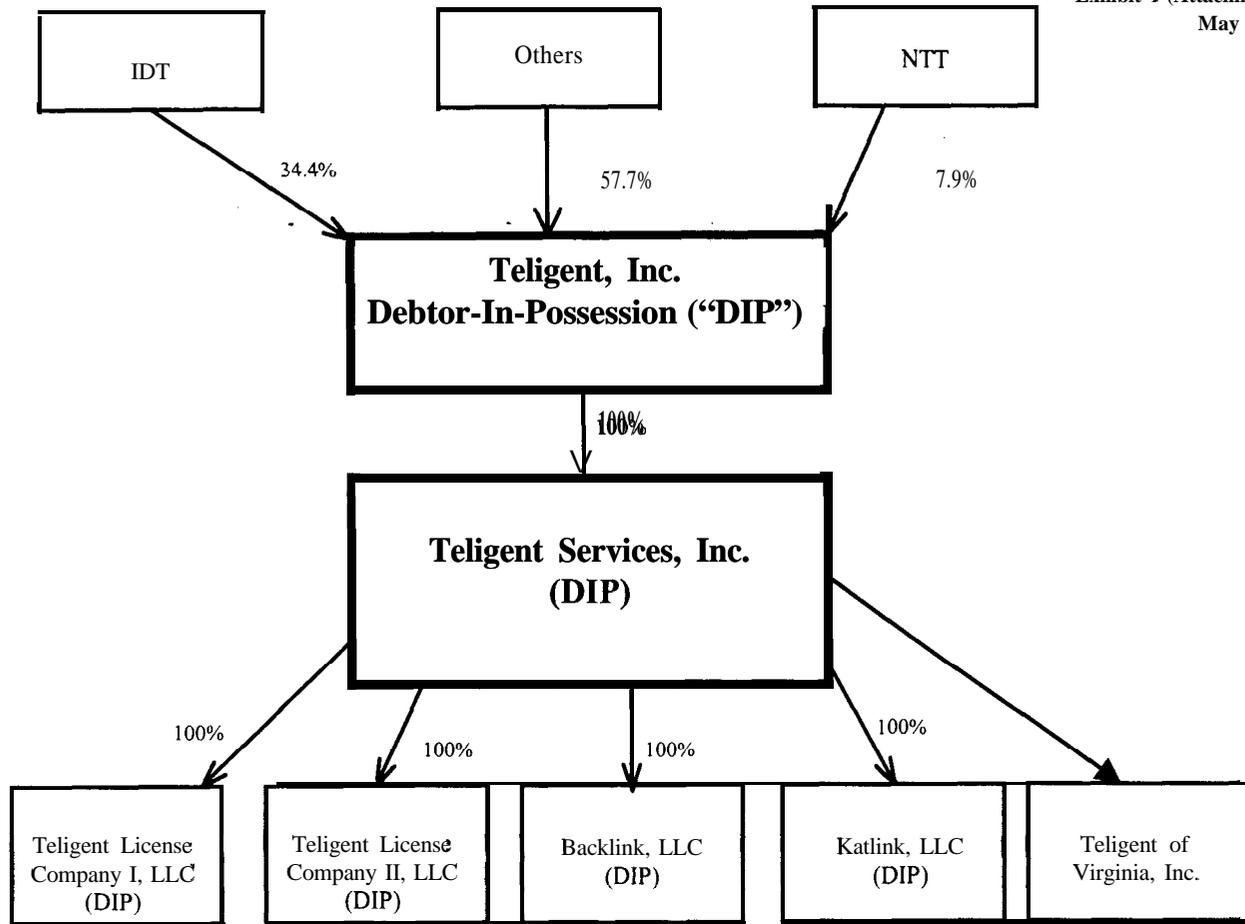

New Teligent will have only one disclosable interest holder, i.e. JPMorgan Chase Bank, who will own a 14% interest in Teligent. All other owners of New Teligent will be banks or financial institutions (approximately 33 or so) that will individually, either directly or indirectly through their respective affiliates, own a less than 10% ownership interest each in Teligent. As a result, their interest is not disclosable pursuant to Sections 1.2110 and 1.2112 of the rules, 47 CFR § 1.2110, 1.2112. Moreover, no officer, director or key management personnel of the Applicant has a 10% or greater interest in any FCC regulated business.
