American Samoa Telecommunications Authority is a Government Entity

American Samoa Telecommunications Authority (“ASTM”), is a semi-autonomous agency of the American Samoa government and the largest telecommunications carrier in American Samoa and has extensive experience with providing telecommunications in that U.S. territory, through its own local and long-distance facilities and through interconnections with other wireless and long-distance carriers. ASTCA is a locally-based entity with a strong commitment, grounded in the executive order of the Governor of American Samoa that created the agency, to provide quality service to the people of American Samoa.
