Re: Form 602  
CNG Communications, Inc.

Dear Ms. Salas:

Transmitted herewith is an original copy of FCC Form 602, which sets forth ownership information for CNG Communications, Inc. ("CNG"). This form, which reports ownership interests following consummation of the recent initial public offering ("IPO") of SpectraSite Holdings, Inc. ("SSHI"), the ultimate corporate parent of CNG, is being filed in connection with the notification of pro forma transfer of control of SSHI being submitted today pursuant to the Commission's forbearance procedures set forth in *Memorandum Opinion and Order*, 13 FCC Rcd 6293 (1998).

The data set forth in the Schedule A section entitled "Related FCC Regulated Businesses of Disclosable Interest Holders" are based on information included in CNG's Form 602 that was filed on February 1, 2000. SSHI is not aware of any way in which that information has been changed. SSHI has, however, asked its ten percent or greater shareholders to let it know of any changes that need to be reported. To date, all but one investor have provided updated information, which is reflected in the enclosed reports. SSHI will submit such information for the remaining investor if and when it receives it.

Also enclosed is a copy of FCC Form 602 marked "Stamp and Return" that I would appreciate your stamping to show receipt and returning it to me in the enclosed Federal Express envelope. There is no filing fee associated with this submission.

3-7-00

Magalie R. Salas, Esquire

**Regulated FCC Businesses of Centennial Cellular Corp.**

Centennial Cellular Corp. ("Centennial") is a Delaware corporation that (except as noted below) wholly owns and controls over 60 subsidiaries that are regulated by the FCC. These subsidiaries are listed below. The address for Centennial and all of the subsidiaries listed below is 1305 Campus Parkway, Neptune, New Jersey 07753. All of the companies listed below are in the business of providing telecommunications services. Specifically, Centennial presently holds cellular licenses in 30 markets, and the B Block broadband PCS license for the Puerto Rico/Virgin Islands MTA. In addition, Centennial's Lambda subsidiaries provide wired telecommunications service to Puerto Rico.

Due to the large number of Centennial subsidiaries required to be reported, Centennial has previously provided information to the FCC about its subsidiaries as an attachment. Taxpayer Identification Numbers for these companies will be sought from Centennial if the FCC requests.
