Waivers/Conditions:

Grant of the request to update licensee name is conditioned on it not reflecting an assignment or transfer of control (see Rule 1.948); if an assignment or transfer occurred without proper notification or FCC approval, the grant is void and the station is licensed under the prior name.

This license supersedes and replaces previous authorization to correct the mobile area of operation to be around Location 1 instead of Location 3 which was removed due to auto term and that location not being constructed.
