Waivers/Conditions:

Pursuant to Section 74.832(H) of the Commission rules, this equipment may be operated outside your official city of license (San Bernardino, CA) subject to prior frequency coordination with the local frequency coordination committee. If no frequency coordination committee is available, prior frequency use must be coordinated with other frequency users in the area of operation. The Commission reserves the right to suspend your operations immediately, without notice of hearing, upon notification of perceptible interference to other authorized users. This authorization is secondary to any current or future grants for land mobile or television operations.
