Waivers/Conditions:

Failure to certify annually as to station construction commitments will terminate the authority for the extended implementation period and will require complete system construction within six months of the first missed annual certification date.

05/03/2023: The following frequency is in a termination pending status for failure to meet the buildout requirements and, therefore, is not reflected on the authorization: frequency 471.95000000, antenna 1, location 4, SECAUCUS, NJ.
