Waivers/Conditions:

Grant of the request to update licensee name is conditioned on it not reflecting an assignment or transfer of control (see Rule 1.948); if an assignment or transfer occurred without proper notification or FCC approval, the grant is void and the station is licensed under the prior name.

Licensee must operate in accordance with DA 10-291, released on February 23, 2010.

Licensees must maintain a log of all Recon Scout use. The log will include the date of operation, start/stop times, location of operation, frequency segment of operation, reason for use, and point of contact. Licensees must provide this information to the Commission or to the National Telecommunications and Information Administration upon request of either agency.
