<NA>

**Waivers/Conditions:**

Grant of the request to update licensee name is conditioned on it not reflecting an assignment or transfer of control (see Rule 1.948); if an assignment or transfer occurred without proper notification or FCC approval, the grant is void and the station is licensed under the prior name.

The licensee is authorized to continue operation on any channel or channels specified under this authorization until it receives written or electronic notice from a new licensee authorized under 47 C.F.R. § 90.615 or 47 C.F.R. § 90.617(g) of the date that the new licensee intends to activate the channel(s) for testing or commencement of operations. Provided it has received timely notice, the licensee must cease operation by the intended date and on the channel(s) specified in the notice to the extent necessary to comply with the co-channel spacing requirements of § 90.621(b). The licensee shall be entitled to at least 60 days notice prior to the intended date of initial operations by the new licensee.

This license is authorized in accordance with Rule 90.693.
