Waivers/Conditions:

Grant of the request to update licensee name is conditioned on it not reflecting an assignment or transfer of control (see Rule 1.948); if an assignment or transfer occurred without proper notification or FCC approval, the grant is void and the station is licensed under the prior name.

The licensee must accept any interference caused by full-power and other primary television stations, and must eliminate any interference caused by its facilities to viewers located within Station WPXQ-TV's noise-limited service contour (NLSC), 41 dBu F(50,90).

Waivers of sections 90.305(a) and 90.307(d) of the Commission's rules granted by Order DA 23-394 released on May 11, 2023 to allow a fixed site to be located 0.8 kilometers (0.5 miles) outside the 80- kilometer (50-mile) radius area around Boston, Massachusetts in which fixed stations are normally authorized under the rules.
