Dear Sir or Madam:

This is in response to your request of February 19, 2003, regarding a copy of your organization's group exemption letter.

In January 1950, we issued a determination letter that recognized your organization as exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on the information submitted, we recognized the subordinates named on the list your organization supplied as exempt from federal income tax under section 501(c)(3) of the Code. Also, we classified those subordinates as organizations that are not private foundations because they are organizations of the type described in sections 509(a)(1) and 170(b)(1)(A)(i) of the Code.

Donors may deduct contributions to your organization's subordinates as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to the subordinates or for their use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Your organization and its subordinates are not required to file federal income tax returns unless subject to the tax on unrelated business income under section 511 of the Code. If subject to this tax, the organization must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization or its subordinates' present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Unless specifically excepted, your organization and its subordinates are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid each employee during a calendar year. This does not apply, however, if your organization makes or has made a timely election under section 3121(w) of the Code to be exempt from such tax. Your organization and its subordinates are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Each year, at least 90 days before the end of your organization's annual accounting period, please compile and forward the following information:

General Conference of Seventh Day Adventist
52-0643036

1. A statement describing any changes during the year in the purposes, character, or method of operation of your organization's subordinates;
2. A list showing the names, mailing addresses (including Postal ZIP Codes), actual addresses if different, and employer identification numbers of subordinates that:
 - a. Changed names or addresses;
 - b. Were deleted from the roster; or
 - c. Were added to the roster.
3. For those subordinates added, attach:
 - a. A statement that the information on which your organization's present group exemption letter is based applies to the new subordinates;
 - b. A statement that each has given your organization written authorization to add its name to the roster;
 - c. A list of those to which the Service previously issued exemption rulings or determination letters;
 - d. A statement that none of the subordinates is a private foundation as defined in section 509(a) of the Code if the group exemption letter covers organizations described in section 501(c)(3);
 - e. The street address of subordinates where the mailing address is a P.O. Box.
4. If applicable, a statement that your organization's group exemption roster did not change since the previous report.

The above information should be sent to the following address:

If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection.

Your organization's Group Exemption Number is 1071. .

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Dear Sir/Madam:

This is in response to your inquiry dated October 21, 1991, requesting a copy of the letter which granted tax-exempt status to the above named organization.

Our records show that the organization was recognized as tax-exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code and issued a Group Exemption Letter effective January 6, 1950. We have also determined that the organization is not a private foundation because it is described in section(s) 501(c)(3) & 170(b)(1)(A)(i). Your Group Exemption Number is 1071.

Donors may deduct contributions to you under section 170 of the Code.

You are required to notify the Service at least 90 days before the end of your annual accounting period, a statement describing any changes during the year in purposes, character, or method of operation of your subordinates.

A copy of our letter certifying the status of the organization is not available, however, this letter may be used to verify your tax-exempt status.

Because this letter could help resolve any questions about your exempt status, it should be kept in your permanent records.

Sincerely yours,

District Director
