Re: Petition for Reconsideration for Call Sign WQNF973

The original request for Notice of Construction for call sign WQNF973 was unintentionally overlooked. Action has been taken in order to prevent this from happening again.

We are submitting this Petition for Reconsideration, per C.F.R. 47 Section 1.946, to ask you to allow call sign WQNF973 to remain active.

Carbondale Township Fire Department is a full-time fire department that provides emergency services to our community and the surrounding area.

The frequencies allowed on call sign WQNF973 are used as our primary source of emergency dispatch and communications on a 24 hour per day basis, 7 days per week.

The actual date of construction was: 2/11/2011

If you have any questions, you may contact me at (618) 549-4621. Thank you for your consideration.
