STATEMENT OF CONCURRENCE

By

City of Castroville and City of Selma

TO: Federal Communications Commission
Gettysburg, PA 17325

Date: 2/15/2007

We are the licensee of City of Selma, in the State of Texas, operating in and around the vicinity of City of Selma on frequency 155.4900. It is our understanding that City of Castroville, plans to operate a radio facility approximately 40 mile radius of Castroville, Texas on channel 155.4975 MHz.

FCC rules 90.172 (a) and (f), (0.20(c)(2) and 90.175 (b) provide for shared use of the frequency spectrum, and the procedures to follow. One of these procedures is to obtain a Letter of Concurrence (LOC) from a current licensed agency assigned on 155.4900 MHz.

It is our understanding that should any interference problems arise as a result of City of Castroville using 155.4975 MHz, that City of Castroville will take any and all responsibility for correcting the problems immediately. This responsibility would include any cost or actions necessary to correct the interference problem up to and including moving to a different frequency.

With these provisions, we have no objections to City of Castroville using this frequency.
