RESPONSE TO ALIEN OWNERSHIP QUESTIONS

The Applicant, Cellco Partnership d/b/a Verizon Wireless ("Cellco"), is ultimately owned and controlled by Verizon Communications Inc. ("Verizon") and Vodafone Group Plc ("Vodafone"). Verizon, a Delaware corporation, owns 55% of Cellco; Vodafone, a company organized under the laws of the United Kingdom, owns 45%. The instant transaction would not result in any change of either de jure or de facto control in Cellco. Vodafone’s interest in Cellco, and its qualifications (as a foreign corporation) to hold indirect ownership interests in common carrier licenses have been previously authorized by the FCC under the Communications Act.1 Neither Vodafone nor any of its foreign subsidiaries hold any direct ownership interests in any common carrier licenses. No new foreign ownership issues are raised by this filing.

Since the Commission approved the foreign ownership of Cellco Partnership as outlined above in this exhibit, there have been no changes in that foreign ownership.
