Sagebrush Cellular, Inc. (“Sagebrush”) is 100% directly owned by Nemont Communications, Inc. (“NCI”) (FRN: 0001637412). NCI is owned 100% directly and indirectly by Nemont Telephone Cooperative, Inc. NTC is a cooperative that is wholly-owned by its member customers. No member customer holds a 10% or greater interest in NTC. NTC is governed by a board of directors. The current officers and directors of NTC, NCI, Project Telephone Company and Sagebrush are on the attached pages below. All Officers and Directors are U.S. citizens.

In addition, Sagebrush’s Long Form 680 under the Disclosable Interest Holder, Nemont Telephone Cooperative, Inc. (“NTC”) (FRN: 0001646470) inadvertently states the percentages of interest held for NTC’s FCC Regulated Businesses, Nemont Communications, Inc. (FRN: 0001637412) and Sagebrush Cellular, Inc. (FRN: 0001608645) as 30.10% and 0.00%, respectively. The Interest Held percentages for Nemont Communications, Inc. and Sagebrush Cellular, Inc. should be changed to 100% interest held.
