SPECIAL TEMPORARY AUTHORIZATION (STA) - COUNTY OF SAN DIEGO

Dear Ms. Holmes,

This letter is in support of your request for Special Temporary Authorization (STA) operations on frequencies and locations as stated in your letter on June 13 2017 , Copied on page 2 of this approval letter.

The RPC understands that this request supports temporary operations to support temporary system testing of new infrastructure on rebanded frequencies.

The 800 MHz Regional Planning Committee, Region 5, has approved this request and fully support its operations.

Please contact Mr. James C Donovan at 714-628-7050 should you have any questions regarding this matter.

Sincerely,

James C Donovan
Chairperson

Jim Donovan – 800 MHz Chair
Region 5 - Regional Planning Committee

Ref: Request STA Authorization Letter from Southern California 800 MHz NPSPAC
Regional Planning Committee Chair– San Diego County site repeater:

Site	Fixed/Repeater Base (FB/FB2) (MHz)	Control Stations (FX1) (MHz)	Mobiles (MO) (MHz)
Rams Hill	852.725	807.725	807.225
Rams Hill	853.450	808.450	808.450

Operation is critical to provide communications for improved and expanded-coverage for dispatch of Police, Fire and Local Government Emergency services. The above frequencies will provide communications for the Regional Communication System in San Diego County.

This is critical for Public Safety.

This application has been submitted to local coordination and conforms to the conditions of the Region 5 Planning Committee plan.

If you have any additional questions, please contact me.

Respectfully Submitted,

Anna Holmes
