Attention: Ramon Williams, FCC Requests for Environmental Review

Re: Form 845 File Number A1047873

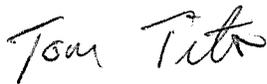

Radio Antenna at 1245 18<sup>th</sup> Ave South, St. Petersburg, Fl

I am requesting environmental review of this antenna.

I also request that the legal notice be published again with clear instructions on how to review the file. I attempted to use the links published in the notice and have not yet found the file.

Notice attached.

Thank you.

Tom Tito

### **Public Notice**

Proposal to mount antenna for new educational low power FM station at 1245 18TH Ave. S., St Petersburg, FL, has been submitted to the Federal Communications Commission (FCC). The antenna will be mounted adjacent to the existing building at that location with no aviation obstruction lighting at a height of 16.7 meters above the ground. Application may be reviewed by going to [www.fcc.gov/asr/application](http://www.fcc.gov/asr/application) and entering the Form 854 File Number A1047873. Requests for Environmental Review of the proposed structure may be submitted to the FCC. Instructions for making online filings, preferred by the FCC, can be found at [www.fcc.gov/environmentalrequest](http://www.fcc.gov/environmentalrequest). Requests can be filed by mail at the following address: FCC Requests for Environmental Review, Attn: Ramon Williams, 445 12th Street SW, Washington DC, 20554.
