RE: Approval of Additional 800 MHz Channels for Fayette County

Major Paul See
Lexington-Fayette Urban County Government
Division of Fire and Emergency Services
200 East Main
Lexington, KY 40507

Dear Major See

The Public Safety Working Group of the Kentucky Wireless Interoperability Executive Committee has reviewed and approved your application for 3 each additional 800 MHz Channels to augment your planned upgrade of public safety communications in Lexington/Fayette County. These 3 Channels are in addition to channels awarded in August 2012. Channel 102 was originally assigned to Bourbon County Channel 118 is was originally assigned to Jessamine Channel 217 was originally assigned to Anderson County. The following 800 MHz channels are approved:

CHANNEL	BASE FREQUENCY	MOBILE FREQUENCY
102	852.3375	807.3500
118	852.5625	807.5625
217	853.8250	808.8250
